

Preview of Economics PhD Supplemental Application

These questions are a preview of the questions asked in the supp app. You will answer these questions once you log into the application.

*Denotes Required

Please see the [Economics PhD Admissions website](#) for questions about these materials.

As part of our holistic review, we refer to the information you submit to understand more about you. What you choose to share gives us an idea of who you are and what you want to accomplish as part of our economics research community. Please respond to the two prompts below (300 words max for each).

1. *What lessons have you learned from your background and life experiences, and what skills or abilities have you acquired from those lessons?**
2. *What do you see as your potential role and/or contribution to create a more diverse, accepting, and stimulating community, campus, and society?**
